

PROPERTY TAX BILLS IN THE 2009 TEXAS LEGISLATURE FIRST SPECIAL SESSION

Last Updated: July 2, 2009

The special session, which began yesterday, was called by the Governor to deal with transportation issues and the continuation of several state agencies. We do not expect to see many bills affecting property taxes. We will, however keep an eye on the bills that are filed and note anything related to property taxes.

H.B. 14

S.B. 14

Author: Hegar

Amends/Enacts: §§11.11, 25.06 and 25.07 Tax Code; Chapter 227 Transportation Code

These bills would repeal Chapter 227 of the Transportation Code, the statute creating the Trans-Texas Corridor. References in the Tax Code to the Trans-Texas Corridor would also be repealed.
